EXPLAINED LAW

Limits to Governor's powers

In striking down the Tamil Nadu Governor's decision to withhold assent to Bills passed by the Assembly as illegal, the Supreme Court has clarified an ambiguity in the Constitution that has been exploited by Raj Bhavans in Opposition-ruled states. The impact will be significant, and will travel beyond the TN case

THE ASIAN AGE

SC clarity on governor's role good for democracy

The Supreme Court ruling which says that the governor can use the veto power of the state of emergency, which gives the governor the power to withhold assent to bills, is a landmark decision. It is a good thing for the people of the state, as it will ensure that the governor's powers are not abused. The ruling is a clear statement that the governor's powers are not absolute, and that they are subject to the will of the people. This is a good thing for the people of the state, as it will ensure that the governor's powers are not abused. The ruling is a clear statement that the governor's powers are not absolute, and that they are subject to the will of the people. This is a good thing for the people of the state, as it will ensure that the governor's powers are not abused.
